

Love - just Love?!

What can **W**e do, with so much
Disease, Distress and Misery – so much **FEAR** and **HATE**?

I asked **Him/Her** – who created **Us**:

*"Love – in order to understand **That** – what creates **Suffering**
and
Love – in order to understand **Those** – who are creating **Suffering**
and
Love – in order to understand **Life / Me / You**
then
Disease, Distress and Misery disappears
FEAR and HATE disappears"*

He/She said

Well then – if it`s so easy
let **Us** love **Everyone** and **Everything** on our **Mother Earth**
